Workshops

Price per person: £125 per person or **£95** if payment is received before the cut-off date (4 weeks before the workshop). This includes lunch and refreshments. Workshops are designed for parents of children aged 0-7yrs and run from **9.45am** until **4pm**. Our experience has shown that people benefit more from attending once they have become parents rather than during pregnancy.

We need a minimum number of 14 bookings to run the workshop. At the cut-off date we will decide whether the workshop is viable and will contact you to confirm or cancel. If we cancel a full refund will be given.

Unfortunately, we are unable to provide childcare facilities and it is not appropriate to bring babes-in-arms.
