

## **An Appeal to Donor Conceived Adults – January 2010**

We are making a BBC Documentary and are looking to talk to donor-conceived people who are interested in searching for their half-siblings.

You may be thinking about signing up to the HFEA sibling register this year, or you may already be looking or you may have found some half-siblings.

Our aim is to make an intelligent and informative documentary. We believe passionately that the subject is an important one and we hope that it will help to get many of the issues around donor conception into the public sphere.

At this stage conversations are for research purposes only and will be treated in the strictest confidence.

If you are interested in talking, please contact me - [shona.thompson@dragonfly.tv](mailto:shona.thompson@dragonfly.tv) or call on 07956 486666.

I very much look forward to hearing from you.
